**PDQ Superior Instant Stick Tape** is a pressure sensitive, gray, foam core, acrylic tape system designed to provide a superior bond between a wide variety of substrates. The tape possesses a uniform high-tack acrylic adhesive on both surfaces and will bond to most clean, dry, oil-free substrates. The tape is formulated to withstand a wide range of weathering and temperature conditions without losing adhesion.

**PDQ Superior Instant Stick Tape** can be used in a variety of applications including window muntin bar attachment, automotive and boat trim attachment, signs, graphics, furniture, appliance and many other manufacturing and construction applications to replace mechanical fasteners and welds. **PDQ Superior Instant Stick Tape** offers numerous advantages, including increased compressibility, a waterproof bond, ease of application, the ability to withstand thermal movement and sound deadening properties. Solvent and UV resistant.
